MALAYSIA LAW AWARDS 2016

7 APRIL - KUALA LUMPUR

On the last week of March, ALB will send the panel of judges via email a score sheet and a summary of submissions for preselected categories. As a judge, your role is to choose the best three (3) finalists for every category, based on a set of criteria and your extensive knowledge on Malaysia's business and legal industries. You will be given a period of one (1) week to evaluate the entries and complete your score sheet.

As a measure against conflict of interest, judges will not be allowed to evaluate any deals in which their firms/in-house teams were directly involved (for deal award categories) and for their own firms/in-house teams (for firm/in-house award categories). Any score given a judge to the foregoing will be considered void.

Further information about the event may be accessed from our website at <http://www.legalbusinessonline.com/awards/Malaysia-law-awards-2016>. For enquiries about the evaluation process, please do not hesitate to contact us.

Welcome to the 3rd annual ALB Malaysia Law Awards!
